SHIPPING COST

To see all shipping options and costs, just add this item to your cart. It's easy and fast! We ship to over 70 countries worldwide! Most orders are shipped same day if received by 1:00PM PST.

The Illuminating Card Magnifier is the ideal tool to keep handy for any hard to read item such as: reading fine print, maps, menus, coin dates, splinters, etc., especially in the dark! This credit card sized magnifier has a built in light which illuminates toward the object you are magnifying. Keep it in your wallet or purse and always have the extra reading power at your fingertips! The Illuminating Card Magnifier comes complete with a pre-installed battery and a vinyl storage case.

Recommended for ages 6 and older.

Weight: 0 lb 1 oz (0.03 kg)
